WHAT SHOULD WE DO FOR NORTH EPIRUS?

Ξένες γλώσσες / In English

Autonomy Declaration 1914

The only correct approach for the Hellenic national issues in terms of foreign policy is to base it, on scientific analysis and on some basic principles of a long-term strategy, which should be specialized in all specific circumstances. Needless to say, that strategy is an unknown word to the Ministry of Foreign Affairs of Hellas and in the Hellenic political parties... This is also true in the case of North Epirus, which is the south part of the state of Albania. (περισσότερα...)
