5. Fr Daniel Katounakiotis is cured of an inflammation of the kidneys.

In his book, “Contemporary Figures of the Holy Mountain”, Vol. 4, the late Archimandrite Cherubim describes how Father Daniel Katounakiotis had been miraculously cured of an acute inflammation of the kidneys. We quote the account:

“No sooner did he reach Vatopedi than he suffered an acute inflammation of the kidneys. This “thorn in the flesh” afflicted him very seriously this time and he had to stay in bed for weeks.
The fathers at the monastery have been nursing him with a lot of affection. But even more affection was shown by the great Doctor of the Mountain, the Mother of God. *read more…* (περισσότερα…)
