Kosovo and Ongoing De-Christianization

Ξένες γλώσσες / In English

By Lee Jay Walker

Tokyo Correspondent

The ongoing de-Christianization of Kosovo continues and unlike the past frenzy of the anti-Serbian mass media in the West, we mainly have a deadly silence about the reality of Kosovo and the continuing Albanianization of this land. However, how is it “just” and “moral” to persecute minorities and to alienate them from mainstream society; and then to illegally recognize this land without the full consensus of the international community? (περισσότερα…)
