Three Major Hellenic Diaspora Organizations Voice Concern in Letters to University of Utah President Michael K. Young

The Hellenic League of America (HLA) joins together with the Federation of Hellenic Societies of Greater New York, the American Hellenic Institute AHI, and the Pan Macedonian Association USA in confronting false historical revisionism, Anti-Hellenism and Hate Speech propagated by the government in Skopje and its allies and lobbies worldwide in recent days. In a commendable show of unity three of the most preeminent Hellenic organizations in America have sent letters of concern to University of Utah President Michael K. Young about the upcoming Revisionist “7th ‘Macedonian’- North American Conference” slated to commence on University of Utah grounds on November 5th, 2009. (περισσότερα…)
