Turks to blame for theft of Tassos’ corpse

Ξένες γλώσσες / In English

The Cyprus Action Network of America (CANA) encourages the distribution of the below links and text in memory of THE GREAT HELLENES and HELLENIC HEROES young Solomos Solomou who was killed by Turks, and Cypriot leader Tassos Papadopoulos whose bodily remains were recently desecrated by Turks. We hope that the coming New Year brings a surge of HELLENIC HEROES to inspire our epic people to rise up and vanquish forever the barbarians who oppress The Great Island of Cyprus.
