The Lord respects our freedom (Archimandrite Gabriel Dionysiates)

Ξένα μηνύματα / In English / Words of Life / Ξένα μηνύματα / Ρήματα ζωής

When He came into the world,

Our Lord Jesus Christ had complete respect for the freedom of us His servants: ‘Let those who wish to do so follow me’.

So, are we, His supporters, to declare implacable warfare against anyone who does not accept our views, against those who disagree with our views on ideology, politics or party?
