Look at the picture above, and you can see where this driver broke through the guardrail, on the right side of the culvert, where people are standing on the road, pointing.

The pick-up was traveling about 75 mph, from right to left, when it crashed through the guardrail.

It flipped end-over-end, bounced off and across the culvert outlet, and landed right-side-up on the left side of the culvert, facing the opposite direction from which the driver was traveling.were unhurt, except for minor cuts and bruises.

The 22-year-old **driver and his 18-year-old passenger**

Just outside Flagstaff , AZ on U.S. Hwy 100.

Now, look at the second picture below . . .
