## **Grace will gradually come to you (Saint Porphyrios of Kavsoakalyvia)**

[Ξένες γλώσσες / In English](#)

Grace will visit you gradually. You'll enter into joy. You'll begin to live in peace, and

then you'll become stronger by God's grace. You won't get angry. You won't lose your temper, you won't get upset with people, you won't judge. You'll accept all of them with love.
