It's what they themselves want (Elder Efraim Vatopaidinos)

[Ξένες γλώσσες / In English](#)

I'd

like to assure you that the Holy Mountain calls those people who themselves

desire, themselves wish to follow Christ. They come because in their heart they've received Christ's call: 'Follow me'. Christ said 'Follow me' to the twelve disciples, but He continues to offer it to this day to those who genuinely desire Him and love Him.
