We want our own will to be done (Elder Tadej Vitovničk)

[Ξένες γλώσσες / In English](#)

Everything's changing all the time. Nothing remains static. We perfect ourselves,

either in what's good or what's bad. We have to learn to live the life of the heavens. And that's not easy, since today we've made a life of opposition and rebellion. We haven't learned to subject ourselves to the will of God. Instead we want our own will to be done, so there's no place in paradise for us.
