## The deep problem (Elder Efraim Vatopaidinos)

[Ξένες γλώσσες](#) / [In English](#)

The great problem, the deep problem is the spiritual one. You see on the Internet, where everybody surfs and, unfortunately, people today spend so much time, so

many hours surfing. And we see that they go and kill time with this 'drug'. They don't care about the reason why they've been created. What is this? I repeat and emphasize: it's our glorification.
