

God sings Angels sing Man sings

[Ξένες γλώσσες](#) / [In English](#)

Why would God sing? The question may sound strange and yet it is said in Zephaniah (3:17), “He will rejoice over thee with singing.” I first noticed this verse when I was a very young Christian and have puzzled about it for nearly forty years. Equally puzzling to our modern way of thought is the question, “Why does anybody sing?” I have been to plenty of operas and have to admit that even the ones in English need subtitles – singing does not necessarily make something more easily understood. And yet we sing. ([περισσότερα...](#))
