## **It doesn't fall back (Elder Efraim Vatopaidinos)**

Ξένες γλώσσες / In English

When people begin to observe the commandments properly, their mind opens and they understand how God has a plan for each person. They feel His special concern

in their personal life and that of their family. The holy Fathers say that such people then progress and that the faith in their vision increases. The illumined mind sees that God handles each soul with such fatherly care, with such attention to detail, with such particular interest, that it continues to progress and doesn't fall back.
