

## **Deliver Us From the Evil One**

## **“Whose voice is that rattling in your brain?”**

The following words of St. Silouan are fairly straightforward. God give us grace and good hearts to hear him.

If you think evil of people, it means you have an evil spirit in you whispering evil thoughts about others. And if a man dies without repenting, without having forgiven his brother, his soul will go to the place where lives the evil spirit which possessed his soul. [\(περισσότερα...\)](#)
