

The Big Bang Was an Explosion OF Space, Not IN Space

[Ξένες γλώσσες](#) / [In English](#)

In the beginning God created the heavens and the earth.

(Genesis 1:1)

In the beginning was the Word, and the Word was with God, and the Word was God.

(John 1:1)

“I have made the earth, and created man upon it: I, even my hands, have STRETCHED OUT THE HEAVENS, and all their host have I commanded.”

(Isaiah 45:12)

This is my fourth post for Just Science Week.

I think the thing that trips up most people when they think about the Big Bang, is thinking about it in terms of an explosion, like a supernova or a nuclear bomb. This leads to some typical inaccurate assumptions.

Since the Big Bang, the universe has expanded from a central point.
