Don't concern yourself with ill-will (Saint John of Kronstadt)

[Ξένες γλώσσες / In English](#)

When you see that some people harbour ill-will towards you, don't think of that

wickedness as belonging to them. No, they're acting as tools of Satan, though they don't understand the deceit of the evil one and become trapped. Pray to God that the enemy will release them and that the eyes of their heart, which have been darkened by the evil one, will be illumined.
