Why did you make a statement to the investigating committee at this time?

In 2008, both Elder Efrem and I, just attended the investigative committee and handed over a memo, in which we had asked not testify as witnesses. They had then told us to wait outside. Eventually, we had left the building, under the impression that the committee had agreed not ask us to give a statement. Two years later though, today, when so many people continue to twist the truth, we decided that it is crucial that our position which is the only truth, be heard. All this time, so many things have been said about us without our permission, and we had been witnessing an unprecedented smear campaign which defamed the image of the Great and Holy Monastery of Vatopedi and its mission. read more...
