Blessed Elder Paisios talks about monasticism

Άγιοι - Πατέρες - Γέροντες / Άγ. Παΐσιος Αγιορείτης

Vatopaidifriend.In remembrance of the sixteen years since the passing of Elder Paisios, we publish a conversation he had with a person who today is a monk at a monastery in Holy Mount Athos.

– Geronta, do all the monks understand the meaning of what it means to be a monk?

– Monasticism is a great honor and blessing which the Lord has given to man. It is only very slowly that the monk comprehends its deeper meaning. This makes him

feel a real delight. He does not stop giving praise and thanks to the Lord. He feels the great honor which has been done to him. (περισσότερα...)
