Elder Joseph the Hesychast

Ξένες γλώσσες / In English / Joseph the Hesychast / Ξένες γλώσσες

Monasticism recognizes several venerable people, monks, who, in their time, left indelible marks in the history of the Orthodox Church. We can rightfully say that one of those leaders of monasticism is the venerable elder, father Joseph the Hesychast from the Holy Mount. He is the reviver and the guide of present monasticism in the Holy Mount, as well as Greece and America. (περισσότερα...)
