They'll dwindle (Elder Cleopa Ilie)

[Ξένες γλώσσες](#) / [In English](#)

The more sins and evils multiply in the world, the more correctional visitations will we have, that is famine, earthquakes, wars, all kinds of sicknesses and death. Our

concern as Christians must be to abandon sins, to become reconciled to God, to have humility, patience and the fear of God. Then all our tribulations will be reduced and will be very beneficial for our salvation.
