

Keep your mouth open (Saint John of Kronstadt)

[Ξένες γλώσσες](#) / [In English](#)

Faith is a spiritual mouth. The more freely it opens, the greater is the river of divine waters which flows from it. Leave this mouth of yours open. Don't allow doubt and

want of faith to seal your lips hermetically, because then the treasury of God's blessings will be inaccessible to you.

Saint John Kronstadtskij
