Not even air (Elder Aimilianos Simonopetritis †)

[Ξένες γλώσσες / In English](#)

God knows when there's room in your heart. If you haven't received something yet, it means that your heart's not big enough for it. Your heart's packed tightly, as when you force lots of things into a container and press them down so that there's no room for air. There's no room in your heart even for air and yet you want to make room for God, whom all the heavens can't contain?

Elder Aimilianos Simonopetritis
