54. I have been praying and making supplications

10.9.2002

Meliti Florina

I have been married for four years and I could not have a child. During the third year of my marriage a relative visited the Holy Mount Athos and brought me a ribbon blessed on the Holy Belt of the Mother of God. I have been trying for three years to have a child. I prayed a lot and made many supplications but the desired outcome would not take place. I was fasting, I was taking the Holy Communion often, but nothing happened.

I put on the ribbon. Within three months, I got pregnant and had a healthy baby

girl, named Christina. Now, I am glorifying and expressing my gratitude to the Most Holy Lady and our mother. (περισσότερα...)
