Vatopedi publications releases historical work of early 20th century Hierodeacon Arcadios

Ξένες γλώσσες / In English

Vatopedi publications has released the historical work of early 20th century Hierodeacon Arcadios of Vatopedi.

The Elder Arcadios recounts the history of the Holy & Great Monastery of Vatopedi, from its foundation to the 1930s, when he authored the work, which is primarily based on the documents and tomes found in the venerable Mount Athos monastery’s archives.
