Children's Games by Pieter Bruegel (1525-1569)

O God, Creator of all things!

Adding mercy upon mercy, Thou hast deemed me worthy of being a mother; Thy goodness hath endowed me with children so that I may say: these are Thy children! For Thou hast given them life, breathed an immortal soul into them, given them a new birth in a life that is according to Thy will, Thou hast adopted them and received them into the bosom of Thy Church.

O Lord, preserve them in Thy grace, and until the end of their lives deem them worthy of receiving the Holy Mysteries of Thy covenant.

Illumine them with Thy truth. ([περισσότερα...](#))
