There is a place on earth called the “garden of the Virgin-Mary”, in no other than in Greece. Holy Tradition states that this place was visited by the Virgin Mary and she was mesmerized by its beauty, she asked her Lord and son, our sweet Jesus to dedicate this place to her, and dedicated to her it is!!! This garden is called the Athonite Peninsula, with twenty Holy Monasteries, and dozens of Sketes and hundreds of Kellia and thousands of monks. The monks are her little flowers, from every corner of the world.
