# Lexiaguo – southwest of Kunming in Yunnan

Ξένες γλώσσες / In English / Πολυμέσα - Multimedia

**It is located in the southwestern part of Kunming , 2600 ft. above sea level, a remote area.**

**Because of its lack of infrastructure and inadequate transportation and lodging, most travel agencies would not think of going there.**

**But for those who have seen the pictures of the Red land, no one can resist being attracted to its beautiful scenery!**
