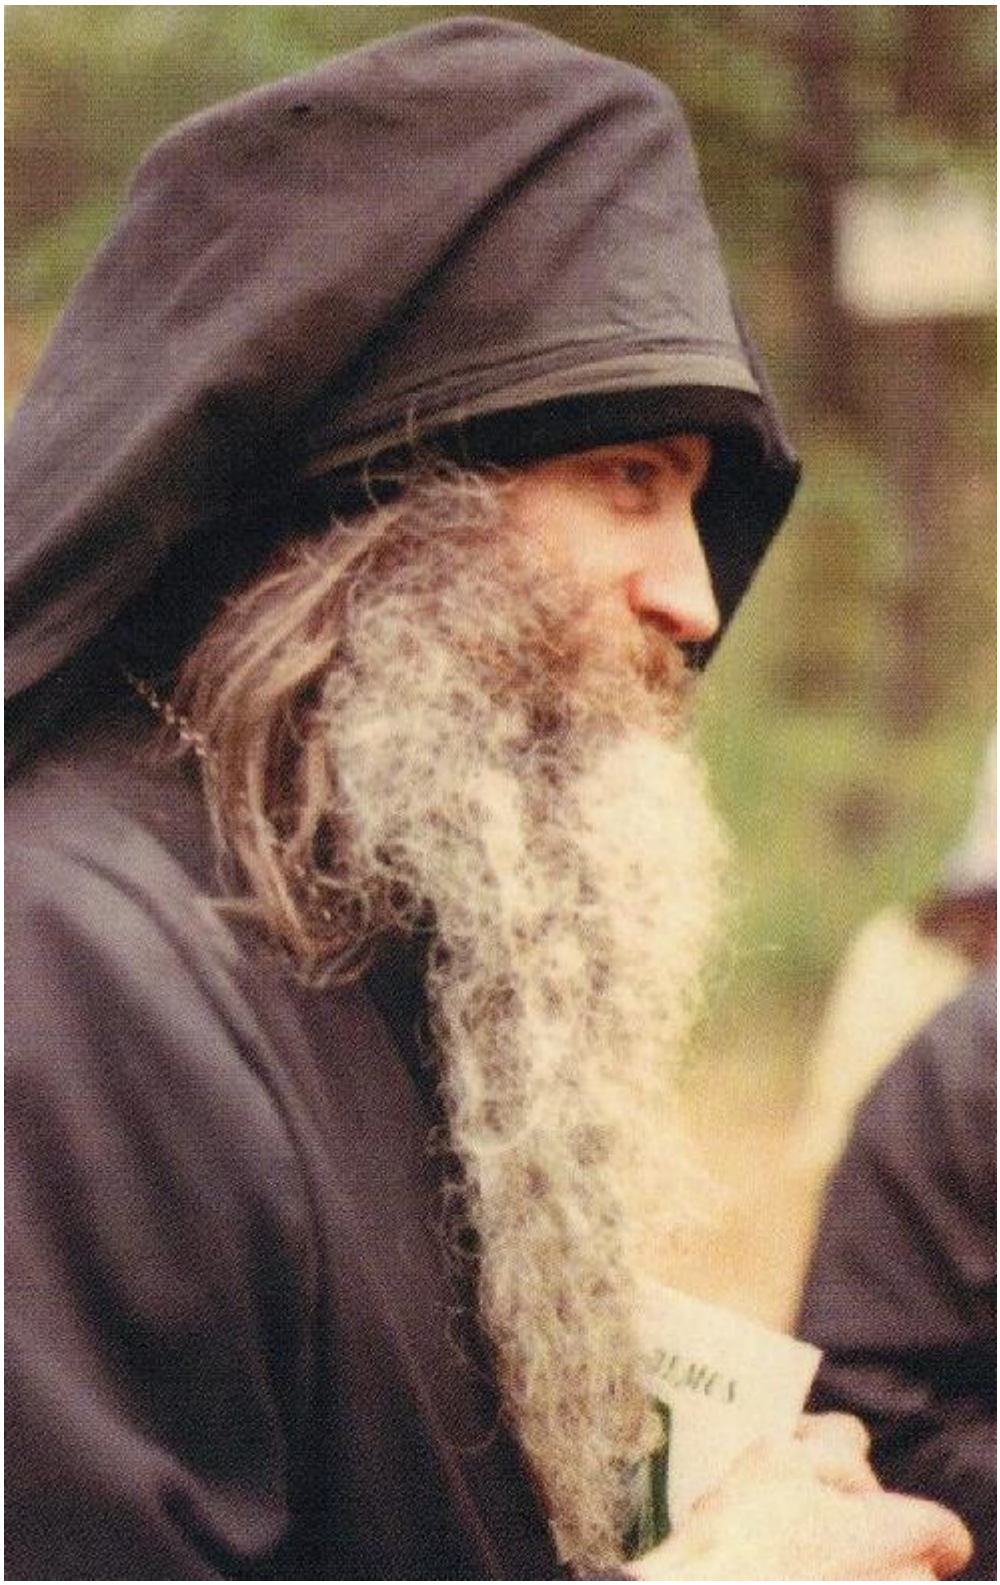
Why study the signs of the times? (Fr. Seraphim Rose) Part 1

Ξένες γλώσσες / In English



In the following talk, Fr. Seraphim speaks to us from almost twenty years ago, and

yet his words are quite relevant to our times as we approach the end of the second millennium. Although some of the individual examples he gives are now dated, there are now even more extreme examples of the same phenomena of which he speaks. As always, he humbles his understanding before the holy Scriptures and their interpretation by the Orthodox Holy Fathers, and thus his teaching about the times remains timeless, free of the intellectual fashions and prejudices of this world. As time goes on, the Orthodox world-view from which he received his wisdom will become ever more necessary for the spiritual survival of true Christians. (περισσότερα...)
